

Challenges Faced

- ❖ Needed to prove GDPR compliance to regulators
- ❖ No InfoSec program and processes in place, esp. around data storage

Modules Used

- ❖ Essentials
- ❖ RFP & Security Questionnaire

ROI Delivered

- ❖ Achieved GDPR compliance in a few weeks
- ❖ Answered security questionnaires in minutes, not hours

Why Tugboat Logic?

“As an analytics company that requires our clients to share their data with us, we needed to meet strict security regulations. Tugboat Logic helped us prove we were compliant with GDPR quickly by automating the process of InfoSec program creation.”
